

## AMCI PLC Module Selection Assistance

Terryville, CT – Advanced Micro Controls Inc. (AMCI) – May 1<sup>st</sup>, 2024

AMCI is now a part of ProposalWorks Proposal Builder!

Rockwell Automation's ProposalWorks is a software tool that simplifies the creation of project proposals for automated solutions. It offers pre-configured templates, enabling you to quickly generate proposals tailored to the projects needs. This streamlined process saves time and ensures accuracy in project planning.

**Technology Partner**

A ROCKWELL AUTOMATION PARTNER

AMCI's PLC module Selection Assistance is a new feature on ProposalWorks with 30 different module configurations to help you find the right solution for your project! You can find AMCI modules in the Technology Partners section or use the search bar to find the exact module you are looking for.
